Wherever I go

Miley Cyrus

Here we are now
Everything is about to change
We face tomorrow as we say goodbye to yesterday
A chapter ending but the stories only just begun
A page is turning for everyone

So I'm moving on
Letting go
Holding on to tomorrow
I've always got the memories while I'm finding out who
I'm gonna be
We might be apart but I hope you always know
You'll be with me wherever I go
Wherever I go

Class of 2012

Who we are and how we grew, Never forgotten and always true. Here's to tomorrow with good luck through, and a bright future for the Class of 2-0-1-2.

PRINCIPAL'S MESSAGE

Congratulations to the Class of 2012,

The value of your past four years may not be fully realized in the excitement of graduation. However, out of all the lessons presented to you during your high school career, I hope you learned the most important lesson of all. Always strive to become the best person you can possibly be. If the Peabody Public Schools were successful in teaching that one lesson and you accept it as your personal philosophy, then I will consider your time spent pursuing your high school diploma as truly a success. All too often we sprint through life without taking the time to pause and to reflect on the present. We are too eager to jump to the next text message, or to change the channels on our TV's, or to listen to the next song on our iPods, that we forget to enjoy the moment. Always remember that this is your time and that it will only be granted once. I encourage you to make the time to ask yourself three simple questions. Where have I been? Where am I going? And, how do I plan to get there?

Good luck in all of your future endeavors, and one last thing... I hope you will always be proud to be a Tanner.
